“ Clayton, who I always addressed as "Mr. Hoke" has been a dear father figure & trusting friend to me for over 56 years. As the father of my best friend Harriet (Hop), he has always held a special place in my heart ... non-stop throughout my life. I shall remember Mr. Hoke as my mentor & my friend, a good listener, a great card player & a man who loved dark chocolate. May we all treasure the fond memories he has left behind. May we smile when we think of him. May we pray for him & also his family during this difficult time. Surely he is smiling, now that he is with Mrs. Hoke, Butchy & JR.
