“ Dear Lettich Family,  
I was sorry to hear of the passing of your mom. I have many fond memories of her and especially all of you kids, from when you all lived here in our little town of Fearnot. Oh what fun we used to have no matter what it was. Treasure your memories of your mom, as I'm sure there are many. Trust in the Lord that she is now at a better place, and also allow him to comfort you at this difficult time. May God Bless All of You.

“ Dear Lettich/Lyons Family:

What can I say about Aunt Rose. She was a kind, loving, sharing and caring person who gave and gave and didn't expect anything in return. She loved everyone unconditionally. I remember when her and Donna would come into Family Dollar in Hegins where I used to worked. I loved waiting on her. She would move faster than anyone and I used to tell Donna to hurry up or she will leave without her. I remember all the many visits with her at her home or Mom and Dad's home. She never complained whether she was feeling good or not. She had so much energy and was always busy doing something. She gave our younger generation a run for their money. She fought a good fight to the very end. I will miss her dearly. All the good times growing up and seeing her at the reunions every year. Also, all that homemade bread and all her other yummie food. She will always be remembered in a very special way and hold a special place in my heart.
