“ To the Stutzman Family,

I am sorry to hear about your loss. I came to know Hilda through my visits to Pennsylvania with Polly. She opened up her home to me and was the most gracious hostess. She always wanted to make sure you were "nourished", and I found that nourishment in many forms: Her fabulous food, her warm, caring personality, her sense of humor and her loving soul. She was a shining light of all things good. My thoughts and prayers are with you all during this time of loss. God Bless you all!

“ Deb & family,

I am so sad to hear of the passing of your mom. She looked so good when we saw you at Tracy's for breakfast a month or so ago. She enjoyed so much when you kids would take her out to eat....and ooohh how she loved to go to the Boadwalk. She always had a friendly hello and smile for everyone. Treasure all the memories, as I'm sure you have many. My thoughts are with the family at this difficult time. Prayers for all of you for comfort & peace.

“ Aunt Hilda was a very special lady and will be greatly missed. I will especially miss sitting on her front porch on summer afternoons and sitting at her kitchen table drinking coffee on early mornings. I have so many wonderful stories that I could tell of her that they would fill a book.
