“ Dear Family,
Like you, Chuck and I are saddened by Uncle Jim's passing, but we hope you find comfort knowing that we share your grief. We loved him very much, and will treasure the memories we have of him.

He loved his family; "The Sisters," as he called them (Aunt Eva & Aunt Katie), and especially Frank and Christopher. You were "his boys"--the sons he never had. His eyes sparkled and his voice was full of pride whenever he spoke of you.

Uncle Jim never met a pie or a cake that he didn't love; a classic car that he didn't admire. or a casino that he could resist--and oh, so much more!

Chuck and I send to all of you with this message, sympathy and caring from Uncle Jim's extended family out here in the west. A special wish for Uncle Jim's two remaining sisters, Aunt Eva and Aunt Mae. Let a lifetime of good memories make you smile smile.

With love,
Chuck and Anita
