“ Dear Lis and Family:

My heart was broken when Jim Olsen sent word to me of Peter's passing. Such a shock ~ so sudden ~ way too young. I am most thankful that our paths crossed in this life. It was such a good time when you lived next door to us, and Peter worked for Sanovo. He was a hard worker and so pleasant and dependable. I remember the day you came home from the hospital when Christopher was born ~ it was the 4th of July. And you sat out front and watched the parade with your precious little bundle. I know that Peter's spirit will be near you. I know that you will be reunited with him. I'm sure that Terry was happy to greet him in the Spirit World. I know that on resurrection morning our spirits will be reunited with our bodies. May you be blessed and comforted in the hard days ahead when your eyes leak because you miss him so much. I send you all my love and sympathy. I will keep in touch with you. Sincerely,
Connie Ames
