“ Donna & Family,

My family and I would like to send our condolences. Randy has been a great friend ever since I was introduced to horse racing. He has taught me many angles many people dont know. We had quite a few good times relating to the track. I wish you would of started going sooner just to witness some of the good times. If you ever need anything, please call. It certainly will have a new meaning whenever i go to the track.
