“ Dear Dad in Heaven, I sit here and I ponder how very much I'd like to talk to you today, there are so many things that we didn't get to say. I know how much you care for me and how much I care for you! And each time I Think of you I know you'll miss me too. An angel came and called your name and took you by the hand and said your place in Heaven was ready far above.....And you had to leave behind all though you dearly loved! You had so much to live for! You had so much to do....It still seemed impossible that God was taking you. And though your life on Earth is past, in Heaven it starts anew, You'll live for all Eternity, as God has promised you. And though you've walked through Heavens gate, We are never far apart for each time that we think of you, You're right here deep within our hearts

“ When tomorrow starts without me and I'm not there to see your eyes full of tears, showing your love for me. I wish you wouldn't cry so much, the way you did that night, thinking of the many things we didn't get to say. I know how much you love me, as much as I love you, and each time you think of me, please know that I am thinking of you too. So when tomorrow starts without me, please try to understand, an angel came and called my name and took me by my hand. It was time for me to take my place in Heaven far above, leaving everyone behind...especially the ones I love. As I turned and walked away, a tear fell from my eye, remembering the life I lived and why I had to die. I did not want to go, with having so much to do... and it seemed almost impossible that I was leaving all of you. So when tomorrow starts without me, don't think that we are apart, for everytime you think of me, just look within your heart.
