“ My Dearest Sadie,

It has been awhile since I left you a note. This doesn't mean that I forget you. I will NEVER forget you. Lacie just turned 1 year old in April and she is a busy puppy. She is not as calm as you but she is getting a little better and I want her to have fun being a puppy. You had us very spoiled! I know you seen Ginny, your friend that always had treats for you when she seen ya. I know you and Luke are having lots of fun. Tami (your step-mom) sure is having a hard time without her buddy Luke here. I can handle it a little better because I know You and Luke are with each other again. Just remember 1 thing: You will always be my little girl and I will Never forget you and I Will always Love you. There is one thing that you never taught me and that is how hard it would be to live without you. I Love you.

“ Hi Sadie,

Happy Valentines Day. You are still my best valentine. Oh how I miss you. We got a lot of snow and I know how you loved to play in it. It was your favorite time of year. Lacie loves the snow as much as you. I hope you and Luke are running and eating treats and just having fun. Until I see you again remember I LOVE YOU and MISS YOU.

“ Happy New Year My Sweetheart

Hello baby girl, it sure was a sad Christmas here without you. I remember so much how you would rip open your presents and then help us open ours. You sure liked to play with your new toys. Dad made a really nice calendar with you and Lacie on it. I know you would like Lacie eventually. She is a very busy puppy. I want you to know that I will never ever forget you and I will always love you. I bet you were shocked when you seen Luke. I hope you both are running and having a lot of fun. I miss you.

“ My Dearest Sadie

Hi Baby girl, its me. I just wanted to let you know how much I miss you. Its been 6 weeks and I think about you every single day. It is so hard without you here. You were the PERFECT PERFECT little girl and best friend. I want you to know this: If I could give you 1 thing in life, I would give you the ability to see yourself through my eyes. Only then would you realize how special you are to me. I will always love you.

“ I am so sorry to hear about Sadie's passing. She was so sweet and had such a loving and kind spirit. She brought me so much comfort when my mother passed away and then a month later when my grandmother passed. I'm sure she brought so much comfort to everyone she greeted. My thoughts and prayers are with you.

“ I loved Sadie and remember how happy she always seemed when I would go to Ann & Carole's for a visit. She liked it so much when I would give her a massage and I remember when she crawled up on the sofa and sat on my lap as if she was a tiny little 2-pound puppy. She was always a comfort to many people during a funeral service, also. I know alot of folks will miss dear Sadie. She had a wonderful life with you. My prayers and thoughts are with you. Love, Kim Herb

“ Dear Jim & Kathy, So sorry for your loss. It's so hard to explain how much a pet gets to mean to you. We just lost our lab, Rosie, in March and we still miss her so much. Yep there are dogs in heaven! Lee & Kay M

“ My sincere condolences to your family on the loss of Sadie. Every time I visited your funeral home or just drove past and saw her "helping" you in the yard, she gave me a smile. I hope your memories provide you with comfort during this difficult time.

“ Oh Sadie, you greeted me, and always sniffed my pockets for treats, and always knew I had some for you.... You always had a happy way, and a wag to your tail, and sometimes I would swear I could see you smile. You were loved and lucky to have the family you did, and will have a good life as a young dog again, and will see those you love so at the Rainbow Bridge. Jim and Cathy, my heart goes out to you !

“ So sorry to hear of Sadie's passing. She was the one bright spot in many solemn visits to your home. Some people don't understand how animals become such an integral part of our lives & families. I would be lost without my four-legged kids and everyday think of mine who have passed. I have been blessed with pet longevity. I currently have a 16 yr-old cocker spaniel and two 3 yr-old cats. Within the past 5 yrs, two cats & 1 dog have passed...21 yr -old "Old Man Ben", my energizer bunny cat, who other than being deaf, blind & severely arthritic carried on with his daily routine until he met his demise when he fell down the basement steps; Scotchie, 15 yr-old cat and Fritz, 15 yr-old dachshund. Fritz, who was a tennis ball fanatic, has been gone 2 yrs; at least 2 of his favorite balls still lie in the yard where he left them - I actually mow/trim around them. I could set my watch by Old Man Ben's routine...every afternoon he would "pray to the fridge", not moving until I gave him White American cheese; I have not been able to buy WA chs since Benny's been gone. Again, sorry for your loss. Sincerely, Kathy Geist
